Re: Future Certified Business Advisor Opportunity

Dear Ms. Fierova:

I am writing to express my interest in future Certified Business Advisor opportunities with the Del Mar College Small Business Development Center. As a Del Mar College Corporate Services Instructor, small-business owner, former nonprofit executive, and retired Marine Corps personnel officer, I offer practical leadership and operational experience developed across multiple sectors. The SBDC's commitment to small-business success in the Coastal Bend closely aligns with my goal of helping entrepreneurs and organizational leaders turn challenges into practical, sustainable decisions.

My experience allows me to approach advising from both an owner's and an executive leader's perspective. As President of Fidelis General Contracting, LLC, I oversee operations, client relationships, project execution, and quality standards. As Chief Operating Officer of the Boys & Girls Clubs of the Coastal Bend, I led operations across more than 15 licensed youth-serving sites and managed staffing, budgeting, compliance, training, and stakeholder partnerships. During 22 years in the Marine Corps, I led personnel and administrative functions, improved processes, developed staff, and supported senior leaders' decisions.

In my current instructional role, I assess the needs of government, business, and industry partners and design customized training in leadership, communication, customer service, and organizational performance. I recently designed and delivered a 24-hour supervisory academy that connected workplace standards with accountability, safety, and service. Combined with my background in human resources, government contracting, operations, and entrepreneurship, this experience would help SBDC clients strengthen internal systems, develop their teams, and establish measurable paths for growth.

I would welcome the opportunity to discuss how my experience, business education, and commitment to the Coastal Bend community could support the SBDC's future needs. Thank you for your time and consideration.

Sincerely,

Jonathan Williams
